

The Golden Rules of Safety

	I will come to work in a “fit and able” condition
	I will use fall protection or prevention whenever and wherever required according to our standards
	I will follow the lockout/isolation procedure when working on equipment
	I will follow the confined space entry procedure before entering as well as during the full duration of the task
	I will respect all the rules of load handling at all times and never stand under a suspended load
	I will respect all the traffic rules
	I will respect rail priority and stay out of close clearance areas without proper precautions being taken
	I will respect the rules for entering and/or working in hazardous gas areas
	I will not disable safety devices
	I will respect all the H&S basic rules, standards and signals and I will wear the required PPE
